

School Fees 2026 / 2027 (Up to the end of Summer Term 2027)

Fees at Oxford Millwood School (OMS) include all the costs incurred in the usual course of educating your children, including the provision of educational materials (unless otherwise specified). Fees **EXCLUDE 20% VAT**. Parents need to provide children with lunch, a snack and a drink, although drinking water is always available. Our standard fees rise between 5% and 10% at the start of Autumn Term each academic year. Fees are charged 4-5 weeks in advance of each new OMS term and **1 full OMS term's notice is required for withdrawals**.

Additional fees may be charged if children require extra support to improve their educational experience and enhance their learning. Additional fees will be discussed with parents/carers/funding providers but typically standard fees are increased by between 20% and 35%. Additional fees may also be charged for individual or small group music lessons, after school activity clubs, therapeutic sessions, LAMDA drama or any other extra curricular activities; there will also be extra charges for school trips or special events attended by the children. In all cases these will be notified to parents and agreed prior to charges being made.

- If you pay termly then fees must be paid one month in advance of term start. You will be sent an invoice clearly showing a payment date and payments need to be made in August, December and February/March.
